25 N BROADWAY
PERU, IN 46970
July 15, 2013

Chairman Francis called the meeting to order. All members are in attendance.

MINUTES

Commissioner West made a motion to approve the minutes. Commissioner Hamman 2nd the motion and it passed 3-0.

BEE HIVES

George Rubble came before the Commissioners to ask if it was a possibility to change the County Ordinance, which states that hives are to be 500 feet from a residence to 300 feet. The Board believes that the ordinance was following the statue but will check with the County Attorney. The Board had no issues with the change as long as it is not in conflict with state statue.

RECORDER

Brenda Weaver, Recorder, came before the Commissioners to inform them of some discoloration in her ceiling tile. Mrs. Weaver just wanted to make sure they were aware.

INSURANCE

Mary Brown, Chief Deputy Auditor, informed the Commissioners that according to the new health care law, the County will have to pay \$1 for each employee and next year there will be \$2 fee that has to be paid by July 31st. Commissioner West made a motion to have the Chairman sign the paperwork. Commissioner Hamman 2nd the motion and it passed 3-0.

The County is on track for usage at the clinic.

There was some discussion regarding certain individuals being held personally responsible without a resolution. The Commissioners will have the County Attorney draw up the resolution.
